Experience the Nat

Take advantage of the powerful networking and educational opportunities the NKBA has to offer, and find the perfect outlet to express yourself – your creativity, your passion, and your increasing knowledge of the industry. NKBA members represent the highest professional standard in the industry and achieve the greatest success. You owe it to yourself to join the finest professionals in the kitchen and bath industry.

Explore Your Options

The NKBA offers a student membership to all those studying in the design and building fields. Students like you are the future of our industry and the NKBA wants to help make that future bright by providing the extra support needed to excel in this industry and be successful in your chosen career.

Extensive Career Prospects

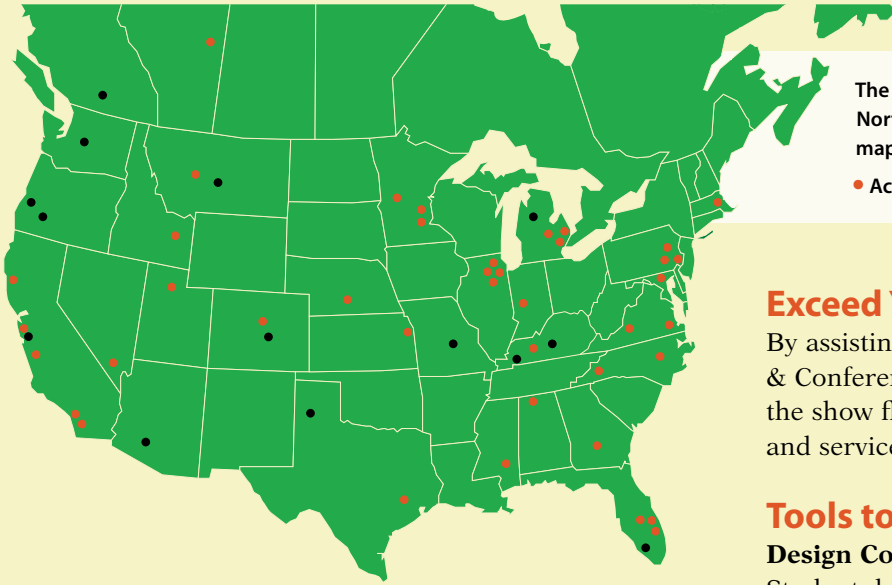

Gain access to opportunities to market yourself and obtain knowledge through attending local chapter meetings and the Kitchen/Bath Industry Show & Conference (K/BIS®), the world's largest industry trade event. Chapter meetings offer a forum for education and networking to connect you with a rewarding position right out of college. Explore the NKBA's website at NKBA.org to search the only industry-specific listing of internships and full-time positions.

Expand Your Knowledge

The NKBA offers professional development courses for kitchen and bath design, sales, and business management. These courses include material for those just beginning their careers, as well as subjects that intrigue even experienced professionals. Technical aids and educational manuals are also available. All these resources are offered at a discount to NKBA student members.

Become an Expert

Obtaining an NKBA certification is a smart choice for professionals looking to excel. The NKBA offers several levels of certification in kitchen and bath design that range from the Associate Kitchen & Bath Designer (AKBD®), which can be reached in 2 years or less, to the truly exceptional Certified Master Kitchen & Bath Designer (CMKBD®), which requires a minimum of 17 years of industry experience. These certifications set you apart, giving you increased credibility with potential employers and offering consumers confidence in their decision to hire you for their kitchen and bath projects. NKBA members are the only individuals who may hold these highly regarded certifications.

Gain Exposure to Networking

Certification isn't the only opportunity to stand out from the crowd when you're looking to attract the attention of an employer. The NKBA offers a number of exceptional networking opportunities that include mentoring options, student and professional chapter meetings, and internship prospects. By becoming a student member of the NKBA, you'll gain exposure to a new level of opportunities.

Exceed Your Goals

By assisting the NKBA at the Kitchen/Bath Industry Show & Conference (K/BIS), students earn free admission to the show floor and gain exposure to the newest products and services in the industry.

Tools to Excel

Design Competitions

Student designers can participate in the annual NKBA Student Design Competition. This competition is open to all NKBA student members, and offers a great way to enhance your resume, gain publicity, and win scholarships. Additional student design competitions are held by NKBA chapters and NKBA member companies. Winners of the NKBA Student Design Competition are featured in the Association's *Profiles Magazine* – a quarterly member publication mailed out to more than 14,000 kitchen and bath professionals and NKBA student members.

Scholarships

NKBA student members have the ability to apply for exclusive scholarship opportunities. These scholarships are made possible by member companies, associated publications, and organizations, as well as local NKBA chapters that sponsor scholarships, essay contests, and design competitions each year.

Take the next step toward ensuring your success by joining the finest professionals in the industry. Choose to excel. Choose experience. Choose to become an NKBA student member and apply at NKBA.org/Students.

 JOIN TODAY

An individual applying for student membership in the NKBA must be enrolled at a college, university, or technical institute that has been accredited by an institutional accrediting body recognized by the U.S. Department of Education, or a provincial ministry of education in Canada. The student must be taking courses for credit toward a certificate or degree program related to the design and build or allied industries. NKBA student membership is limited to a period of eight (8) years.

NOTE: Applications from students registered in programs not accredited by the NKBA cannot be processed unless accompanied by proof of current enrollment (transcript or letter from school official), in addition to the required membership dues.

Applying for NKBA student membership is easy!
