The Luxury Decorative Plumbing Market

The Orange County luxury market is strong. Are you prepared to sell to the high-income buyer who wants a gourmet kitchen or luxury spa bathroom? We will explore current design trends in the luxury market. Is your consumer's trend Aristoclectic, Old World Heritage or Town & Country? We offer tips and techniques for selling high-end products, including luxury decorative plumbing and hardware.

Come join us for an informative meeting on how to meet the needs of the luxury market.

***Speaker: Joel Warners, Owner of Faucets n' Fixtures in Orange.
Before becoming the owner, Joel managed the showroom for 6 years
and has been in the industry since 1994.***
